Instruction Text:

1. Please use a black pen to mark your choices on the ballot.
2. To vote for or against a proposition or a candidate you must COMPLETELY FILL in the box to the left of your desired response.
3. To vote for a write-in candidate, COMPLETELY FILL in the box provided to the left of the words "Write-In" and write in the name of the candidate on the line provided. If the write-in is for a Presidential candidate write in the full name and the party.

To Correct a Mistake:

Draw a line through the entire candidate's name as shown below. You then have the option of making another choice.

"Washington has a new election system. In each race for partisan office, the two candidates who receive the most votes in the August Primary advance to the November General Election. Each candidate for partisan office may state a political party that he or she prefers. A candidate's preference does not imply that the candidate is nominated or endorsed by the party, or that the party approves of or associates with that candidate. The election for President and Vice-President is different. Candidates for President and Vice President are the official nominees of their political party."

Vote for only one candidate in each contest.
