Instructions

Making selections

Completely fill in the box to the left of your choice. Voting more than once for a contest will be an over vote and no votes for that contest will be counted.

How to correct a mistake

Draw a line through the entire candidate's name. You then have the option of making another choice.

Optional write-in

To add a candidate, fill in the box provided to the left of "write-in" and print the name clearly on the line.

READ: Each candidate for partisan office may state a political party that he or she prefers. A candidate's preference does not imply that the candidate is nominated or endorsed by the party, or that the party approves of or associates with that candidate.

Vote for only one candidate in each contest.

State Measures

Initiative Measure No. 1033
Proposed by Initiative Petition

Initiative Measure No. 1033 concerns state, county and city revenue. This measure would limit growth of certain state, county and city revenue to annual inflation and population growth, not including voter-approved revenue increases. Revenue collected above the limit would reduce property tax levies.

Should this measure be enacted into law?
 YES
 NO

Referendum Measure No. 71
Passed by the Legislature and Ordered Referred by Petition

The legislature passed Engrossed Second Substitute Senate Bill 5688 concerning rights and responsibilities of state-registered domestic partners and voters have filed a sufficient referendum petition on this bill. This bill would expand the rights, responsibilities, and obligations accorded state-registered same-sex and senior domestic partners to be equivalent to those of married spouses, except that a domestic partnership is not a marriage.

Should this bill be:
 Approved
 Rejected

County Issues

ADVISORY VOTE

PUBLIC USE OF RAIL BANKED RAILROAD RIGHT-OF-WAY

Through the rail banking process, Ferry County has recently received the donation of twenty-eight (28) miles of railroad right-of-way. This right-of-way is to be under the care of the county and the rail grade must be kept intact. The intended use of this corridor is for a recreational trail.

Shall Ferry County designate the usage of the entire length of railroad right-of-way for "multiple-use non-motorized only" or for "multiple-use with limited motorized access"?
