Instruction Text:

Please use a black or blue ink pen to mark your choices on the ballot. To vote for your choice in each contest, completely fill in the box provided to the left of your choice. To vote for a write-in candidate, completely fill in the box next to the blank line and write in the name of the candidate on the line provided..

IF YOU MAKE A MISTAKE, draw a line through the entire candidate's name. You then have the option of making another choice if you wish. The instructions on the security envelope may also be used to change your vote to another choice. DO NOT use white out or erase.

Vote for only one choice for each office or ballot measure. Unless specifically allowed by law, more than one vote for an office or ballot measure will be an overvote and no votes for that office or ballot measure will be counted.

Please read the instructions on the pink security envelope before voting.

To Correct a Mistake:

Draw a line through the entire candidate's name like shown below. You then have the option of making another choice.

**"Washington has a new election system. In each race for partisan office, the two candidates who receive the most votes in the August Primary advance to the November General Election. Each candidate for partisan office may state a political party that he or she prefers. A candidate's preference does not imply that the candidate is nominated or endorsed by the party, or that the party approves of or associates with that candidate. The election for President and Vice-President is different. Candidates for President and Vice President are the official nominees of their political party."**
