Ballot Instructions:

Please use a black or blue ink pen to mark your choices on the ballot. To vote for your choice in each contest, completely fill in the box provided to the left of your choice. To vote for a write-in candidate, completely fill in the box next to the blank line provided at the end of the contest and write in the name of the candidate.

IF YOU MAKE A MISTAKE, draw a line through the entire candidate's name. You then have the option of making another choice if you wish. The instructions on the security envelope may also be used to change your vote to another choice. DO NOT use white out or erase.

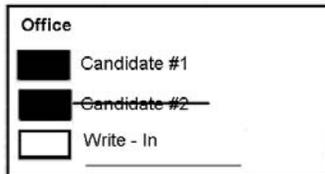

Unless specifically allowed by law, more than one vote for an office or ballot measure will be an overvote and no votes for that office or ballot measure will be counted.

Please read the instructions on the pink envelope before voting.

To Correct a Mistake:

Draw a line through the entire candidate's name like shown below. You then have the option of making another choice.

VOTE FOR ONLY ONE CANDIDATE IN EACH CONTEST.

READ: Each candidate for partisan office may state a political party that he or she prefers. A candidate's preference does not imply that the candidate is nominated or endorsed by the party, or that the party approves of or associates with that candidate.
