2005 General Negligent Healthcare

Initiative Measure No. 330 concerns claims for personal injury or death arising from health care services. This measure would change laws governing claims for negligent health care, including restricting noneconomic damages to \$350,000 (with exception), shortening time limits for filing cases, limiting repayments to insurers and limiting claimants' attorney fees. Should this measure be enacted into law? Yes No

2005 General Clean Indoor Air Act

Initiative Measure No. 901 concerns amending the Clean Indoor Air Act by expanding smoking prohibitions. This measure would prohibit smoking in buildings and vehicles open to the public and places of employment, including areas within 25 feet of doorways and ventilation openings unless a lesser distance is approved. Should this measure be enacted into law? Yes No

2005 General Medical Malpractice

Initiative Measure No. 336 concerns medical malpractice, including insurance, health care provider licensing, and lawsuits. This measure would require notices and hearings on insurance rate increases, establish a supplemental malpractice insurance program, require license revocation proceedings after three malpractice incidents, and limit numbers of expert witnesses in lawsuits. Should this measure be enacted into law? Yes No
