## SERVICE OVERVIEW

# ES&S<sup>®</sup> ElectNOW Rental Program

## All the Advantages, None of the Hassles

Through the ES&S ElectNOW Rental Program, we bring a unique option for cities, schools, public law, utility districts, unions, businesses and many other small organizations to administer an end-to-end election solution. State and county level traditional elections require large, up-front capital expenditures for voting equipment followed by on-going regular investments in election support services. This program offers an optional approach by providing a complete election solutions package for each election you hold. At ES&S, we customize our rental options so they are completely scalable to fit your individual situation creating a rental program that is right for you.
