MyVote Webpage

We've created a new webpage for MyVote to make the application more visible and eliminate the double scrollbars. Please make sure any MyVote links on your county site point to <http://myvote.wa.gov> or <http://www.myvote.wa.gov> so that users will be directed to the new page.

Precinct Shapefiles

If you haven't already done so, please email a copy of your 2013 precinct shapefile (as of the General Election) to [Nick Pharris](#), or send him a quick note if you had no changes to your precinct boundaries between 2012 and 2013.

Recount FAQ and Calculator

Do you receive questions about recounts? Would you like another tool in your administrative toolkit? Our online [Recount FAQ](#) explains the various triggers and thresholds. Try our nifty Recount Calculator (attached) to evaluate whether a mandatory recount is necessary.
