Election Certification

As you get ready for certification, please consult our [checklist](#) for finalizing a Special Election. Remember to trigger your global update to send voted dates to the VRDB by **February 26**.

Introducing the 2014 Reconciliation Form

The new 2014 election reconciliation form is now available on the Administrator's page. This edition provides better accounting of credited voters, incorporates space for notes and explanations, and is color-coded.

Best of all, information requested on the [2014 Reconciliation Form](#) is exactly the same as was requested on the 2013 version.

Elections 101 Basic Training

Have you taken E101? Space is still available at the following locations. Register [online](#):

- FEB 26 & 27, Longview
- MAR 4 & 5, Wenatchee
- MAR 12 & 13, Renton (*limited*)

If you're already certified, but haven't taken this comprehensive course for 5 years, we encourage you to register for a refresher and receive credit hours towards certification.

Election Review Tip

Do you include the 45 day response deadline in your Verification Notice? Election review reports often include a reference to Verification Notices missing this deadline. (RCW 29A.08.110)
