Candidate Statements - State or Local Voters' Pamphlet?

Friendly reminder, all candidates [who file for these offices](#) must submit their statements and photos to OSOS - even if they file with your office! Our submission deadline is 5:00 p.m. the Friday following candidate filing week.

If your county prints a Primary Voters' Pamphlet, OSOS will approve those submissions in time for you to include these candidates. Once approved, these candidates will also appear in the online Voters' Guide and MyVote. If you have any questions, please email voterspamphlet@sos.wa.gov.

May ERIC Upload

May's ERIC upload will happen May 15. Reports will be available a few days after the file is transmitted to ERIC. We will get the reports in your hands as quickly as we can so that you can get them processed.

In other exciting ERIC news, ERIC states hope to begin including USPS Address Change data with our reports beginning in July. However, these reports will be received after the address change cut-off for the Primary but they will be a valuable addition in the pre-General Election ERIC upload reports.

Friendly Competition

Each county is invited to participate in the **Elections Show & Tell** at Election Con! Bring one unique or historic object that was used to vote or count votes, and display your county's artifact at Thursday night's dinner. Help the committee by submitting a quick snapshot and [Entry Form](#) (select "Show & Tell" on the conference website) to [Barbara Ramey](#), and let the competition begin!
