Candidate Filing

Photo error

Today we discovered that candidate photographs for the voters' pamphlet were resized due to a technical error on our part, which requires each candidate to resubmit his or her high resolution photo. If you produce a printed voters' pamphlet, you should have already heard from me. We're working hard to improve the system and are deeply sorry for this inconvenience.

Priorities survey due Friday

Action Item: Please submit your responses to the [priorities survey](#) for candidate filing and statement submission technical improvements in 2014. Only one submission per county, so please get together with your co-workers to complete and submit this survey by this **Friday, May 31**.

Voters' Pamphlet

If your county plans to publish a primary voters' pamphlet, including Legislative and Court of Appeals candidates, you may download those statements from WEI Admin beginning June 3. The state does not currently publish a primary voters' pamphlet, but these candidates will be included in the appropriate editions of the General Election voters' pamphlet.

Congratulations to Kris Swanson

Kris Swanson, Cowlitz County Auditor, was selected as the Secretary of State's 2013 County Auditor of the Year. She was honored last week by Secretary Wyman at the Auditor's Conference for her exemplary work as a public official. Congratulations Kris!

Voter Registration Form

The English and Spanish versions of the voter registration form with the new oath will be posted on the Secretary of State's website by the end of the week. Other languages will be posted as we receive the translations.
