## • What Starts the Whole Process?

Becoming a candidate. According to the disclosure law, you become a candidate when you do one of these things: raise and spend money for your campaign; reserve space or purchase advertising to promote your candidacy; authorize someone else to do any of these activities for you; state publicly that you're seeking office; or file a declaration of candidacy.

## • Once I Become a Candidate, Then What?

Within two weeks of the date you become a candidate, you must file a Personal Financial Affairs Statement\* (Form F-1) and a Candidate Registration form (Form C-1) with the PDC, if required. A copy of the C-1 must be filed with your county auditor or elections officer.

\*An incumbent officeholder who has filed an F-1 earlier in the year does not need to file a second F-1 in the same year after becoming a candidate.

## • Which Candidates Must File Disclosure Reports?

One of two things determines what a candidate discloses. For most candidates, it's the number of registered voters in the jurisdiction where the candidate runs for office. If you are a candidate running for office in a very small jurisdiction, the total amount of contributions you receive or expect to receive will determine whether you report contributions & expenditures.

You must file a Personal Financial Affairs Statement and campaign disclosure reports if you are:

- a state office candidate
- a county office candidate
- a local or judicial office candidate in a jurisdiction with 5,000 or more registered voters
- a candidate who receives or expects to receive contributions of \$5,000 or more in the aggregate regardless of the number of registered voters

File just a Personal Financial Affairs Statement if you are:

- a candidate for local or judicial office in a jurisdiction with 1,000 or more but less than 5,000 registered voters and you do not expect to receive contributions totaling \$5,000 or more

A candidate seeking election to an office in a jurisdiction with less than 1,000 registered voters who does not receive or expect to receive contributions totaling \$5,000 or more does not file any reports with the Public Disclosure Commission.

Registered voter counts are available from the PDC or your county elections office.

## • Where Do I Get Blank Forms and Instructions?

Form templates, brochures and manuals are available online at [www.pdc.wa.gov](http://www.pdc.wa.gov) under Filer Resources. Contact the PDC at 360-753-1111 or toll-free at 1-877-601-2828 if you do not have Internet access. Your county auditor or elections officer will give you a CD that contains all of the PDC forms, manuals, and brochures as well as instructional videos. The PDC offers free compliance training; the schedule is at [www.pdc.wa.gov/filers](http://www.pdc.wa.gov/filers).

## • Electronic Filing

A candidate that expects to spend \$10,000 or more is required to file campaign finance reports electronically. The PDC's free software, ORCA, can be used to electronically file the required campaign disclosure reports. The PDC staff offers free ORCA training – the schedule is available at [www.pdc.wa.gov/filers](http://www.pdc.wa.gov/filers).

To work properly, campaign data from the start of the campaign must be entered into the system.

For assistance with electronic filing of campaign finance reports, go to the PDC web page at [www.pdc.wa.gov/filers](http://www.pdc.wa.gov/filers) or call toll free at 1-877-601-2828.

## • I Suspect There's More to Reporting . . . Right?

Probably. It depends on how much you're going to raise and spend on your campaign.

If you choose Mini Reporting (limiting what you raise or spend to \$5,000 and limiting contributions from one source other than yourself to \$500), the C-1 and the F-1 are the only PDC reports you have to file. Be sure to access and carefully review the Mini Reporting manual found at [www.pdc.wa.gov/filers](http://www.pdc.wa.gov/filers).

If you're going to raise and spend over \$5,000 to get elected (or less than that, but you want to accept more than \$500 from one or more donors), you must select the Full Reporting option. You'll be required to file frequent and detailed contribution and expenditure reports (Forms C-3 and C-4, respectively).

The PDC realizes that candidates are not always able to forecast campaign costs accurately, and may need to switch reporting options. Changing from mini to full reporting must be done at least 30 business days before the election and will entail notifying your opponent(s) and the PDC, amending your registration, and filing contribution & expenditure reports from the start of the campaign before you exceed the mini reporting limits.

**The approval to change reporting options from mini to full reporting within 30 business days of the election is not automatic and will only be granted under circumstances outlined in WAC 390-16-125.**

- **When are Contribution and Expenditure Reports Due?**

**C-3 Contribution Reports:** Before June 1 of the election year, candidates fill out a C-3 report for each bank deposit and file these reports with their C-4 reports. Beginning June 1, each time you make a deposit you must file a C-3 no later than the following Monday. Since contributions must be deposited within 5 business days of receipt, active campaigns will make at least one weekly deposit.

**C-4 Summary Reports:** This report, along with its attached schedules, summarizes the campaign's financial activity and shows itemized expenditures for a specific period. C-4s are due:

From the beginning of the campaign through May of the election year, if a campaign has over \$200 in contributions or expenditures during a month, a C-4 report is filed by the 10<sup>th</sup> of the following month. Beginning with June of the election year and continuing through the primary and general elections, C-4 reports are due 21 and 7 days *before* each election and on the 10<sup>th</sup> of the month *after* the month the election was held with the candidate's name on the ballot, even if there was little or no activity to report.

Specific filing dates are listed in the 2009 Key Reporting Dates for Candidates found under Filer Resources at [www.pdc.wa.gov](http://www.pdc.wa.gov). All PDC reports are considered filed as of the postmark date or, if filed electronically, on the file transfer date.

- **Where Do I File PDC Reports?**

Send the original of all campaign reports (the "C" series) to the PDC; provide a copy of these campaign reports to your county elections officer. The personal financial affairs statement (F-1) is, in most cases, filed only with PDC in Olympia. By local ordinance, city office candidates may also have to file copies of "C" reports and the F-1 with their city clerk.

**NOTE:** Electronically filed reports are not required to be filed with the county auditor.

- **Must I Have a Separate Campaign Account?**

Candidates must open a separate campaign account in a bank, credit union or savings and loan institution if they accept monetary contributions. A candidate who personally funds his/her entire campaign and accepts no contributions does not have to open a bank account. These candidates are required to make all campaign records, which may include the personal checkbook register and bank statements, available for public inspection during the eight days before the election.

- **From Whom May I Accept Contributions?**

Generally, contributions from individuals, corporations, unions and other organizations are permitted. Candidates for legislative, state executive office, judicial, and some county offices have special contributor restrictions. By federal law, no foreign corporations or citizens (unless they have green cards), national banks and corporations organized by authority of Congress and federal government contractors may contribute to or spend funds on behalf of U.S. candidates.

A candidate may personally finance his/her entire campaign. Local restrictions may apply to candidates seeking some county and city offices. Check with your county elections office or your city clerk.

- **May I Serve as My Own Treasurer?**

Yes. However, candidates who select Full Reporting are strongly encouraged to enlist the aid of a treasurer who has the time and energy necessary to keep detailed, accurate records and file frequent reports. Your treasurer does not need to be a professional accountant.

- **Is There a Contribution Limit?**

State law sets contribution limits on donations to legislative, state executive, and judicial office candidates, as well as county office and port commissioner candidates in jurisdictions with more than 200,000 registered voters as of the last General Election [just Clark, King, Pierce, Snohomish, and Spokane Counties and the Ports of Tacoma and Seattle in 2009] as well as bona fide political party and caucus political committees. See instruction manuals for details.

During the 21 days before the general election, no contributor, except the state committee of a bona fide political party, may give more than a total of \$50,000 to a statewide office candidate or \$5,000 to any other candidate or political committee. This restriction also applies to a candidate's personal funds.

Candidates must not accept contributions that exceed their respective limits. Additional local restrictions may apply to candidates seeking local office.

- **Is There an Expenditure Limit?**

Candidates who choose Mini Reporting self-impose an expenditure limit of \$5,000. There are no expenditure limits for candidates who choose Full Reporting.

- **Must I Identify All Contributors?**

Anyone who donates monetary and in-kind contributions totaling more than \$25 over the course of your campaign must be identified by name and full address. Plus, if an individual gives you more than \$100 in the aggregate, you must show this person's occupation and the name, city and state of his or her employer.

- **May I Be Reimbursed for the Personal Funds I Spend on My Campaign?**

A candidate's contributions to his or her own campaign must first be reported as loans in order to be eligible for repayment. A candidate can be repaid up to \$4,700 for primary election loans and \$4,700 for general election loans. Reimbursements for the candidate's out-of-pocket campaign expenses must be made within three weeks or the reimbursement will count against the loan repayment limit.

- **Are There Laws Governing Political Ads?**

Yes. Details are in the PDC's Political Advertising brochure or the Political Advertising section in the instruction manual.

# **Advertising, political advertising, electioneering communications, and independent expenditures.**

(1) For the purposes of chapter 42.17 RCW and Title 390 WAC:

(a) "Sponsor of an electioneering communication, independent expenditure or political advertising" is defined in RCW 42.17.020.

(b) Unless the context clearly provides otherwise, "advertising" or "advertisement" means political advertising, electioneering communications, or independent expenditures that are for political advertising and/or electioneering communications subject to the provisions of chapter 42.17 RCW and as defined in RCW 42.17.020 or 42.17.100.

(2) With advertising for which no payment is demanded or for which a cost is not readily ascertainable, the sponsor is the candidate, political committee or person who solicits or arranges for the advertising to be displayed or broadcast.

(3) If more than one person sponsors specific advertising, the identity of each sponsor must be shown. However, if a person contributes in cash or in-kind to a candidate or political committee to assist in paying the cost of advertising, that person is not deemed a sponsor provided the contribution is reported in accordance with applicable provisions of chapter 42.17 RCW and Title 390 WAC.

(4) Printed advertising shall clearly state, in an area set apart from any other printed matter, that it has been paid for by the sponsor (Example: (1) Paid for by the XYZ committee, mailing address, city, state, zip code; (2) Vote for John Doe, paid for by John Doe, mailing address, city, state, zip code). However, printed advertising undertaken as an independent expenditure or electioneering communication shall comply with the "notice to voters" and, if relevant, the "top five contributors" provisions of RCW 42.17.510 and provide this information in an area set apart from any other printed matter. Political committees that sponsor independent expenditure or electioneering communication printed advertising are required to provide the "top five contributors" to that political committee pursuant to WAC 390-18-025; however, this requirement does not apply to bona fide political parties sponsoring independent expenditures.

(5)(a) Advertising consisting of more than one page but intended to be presented as a single item (e.g., 3-page letter with return envelope) must identify the sponsor on the first page or fold of the advertising. Identification on an enclosed return envelope or the envelope in which the advertising is sent is not sufficient.

(b) Advertising which is a collection of several items relating to more than one candidate or committee and distributed simultaneously must show the respective sponsor on the respective items.

(6) The name of the sponsor of all radio or television advertising shall be clearly spoken or identified as required in RCW 42.17.510.

(a) All radio, telephone and television advertising undertaken as an independent expenditure as defined in RCW 42.17.020 shall comply with the "notice to voters" and, if relevant, the "top five contributors" provisions of RCW 42.17.510 and this information shall be clearly spoken or identified as provided in RCW 42.17.510.

(b) All radio and television advertising undertaken as an electioneering communication as defined in RCW 42.17.020 shall comply with the "notice to voters" and, if relevant, the "top five contributors" provisions of RCW 42.17.510 and this information shall be clearly spoken or identified as provided in RCW 42.17.510.

(c) Political committees that sponsor independent expenditure or electioneering communication radio and television advertising are required to clearly speak or otherwise identify the "top five contributors" to that political committee pursuant to WAC 390-18-025; however, this requirement does not apply to bona fide political parties sponsoring independent expenditures.

## **WAC 390-18-020**

### **Advertising — Political party identification.**

(1) According to RCW 42.17.510, sponsors of advertising supporting or opposing a candidate who has expressed a party or independent preference on the declaration of candidacy must clearly identify the candidate's political party or independent status in the advertising.

(2) According to RCW 42.17.510, sponsors of electioneering communications identifying a candidate who has expressed a party or independent preference on the declaration of candidacy must clearly identify the candidate's political party or independent status in the advertising.

(3) To assist sponsors in complying with this requirement, the commission shall publish a list of abbreviations or symbols that clearly identify political party affiliation or independent status. These abbreviations may be used by sponsors to identify a candidate's political party.

## **WAC 390-18-025**

### **Advertising — Identification of "top five contributors."**

(1) For purposes of RCW 42.17.510 (2), (4) and (5), "top five contributors" means the five persons, as defined in RCW 42.17.020, giving the largest aggregate contributions exceeding seven hundred dollars during the twelve-month period preceding the date on which the advertisement is published or otherwise presented to the public. If more than five contributors give an amount equal to the largest aggregate contribution exceeding seven hundred dollars and the funds are received during the relevant twelve-month period, the political committee sponsoring the advertisement shall select five of these contributors to identify as the top five contributors.

(2) For independent expenditure advertisements or electioneering communications, the "top five contributors" identification requirement of RCW 42.17.510 applies to all political committees that make independent expenditures, including continuing political committees and out-of-state political committees subject to chapter 42.17 RCW other than a bona fide political party committee.

(3) If a political committee keeps records necessary to track contributions according to the use intended by contributors, and the committee subsequently makes independent expenditures for advertisements supporting or opposing a candidate or slate of candidates or an electioneering communication identifying a specific candidate or slate of candidates, that committee may identify the top five contributors giving for that purpose, as opposed to identifying the overall top five contributors to the committee as is otherwise required by RCW 42.17.510 and this section.

However, a contributor's contributions earmarked for independent expenditures supporting or opposing a specific candidate or slate of candidates or electioneering communications identifying a specific candidate or slate of candidates shall not be used with respect to a different candidate or slate of candidates without the contributor being identified as one of the top five contributors for the actual expenditure if that contributor is one of the top five contributors for that expenditure.

## **WAC 390-18-030**

### **Advertising — Exemptions from identification.**

Pursuant to RCW 42.17.510(6), the following forms of advertising need not include the sponsor's name and address, the "notice to voters" or the "top five contributors" information as otherwise required by RCW 42.17.510 (1) and (2) because such identification is impractical: Ashtrays, badges and badge holders, balloons, bingo chips, brushes, bumper stickers -- size 4" x 15" or smaller, buttons, cigarette lighters, clothes pins, clothing, coasters, combs, cups, earrings, emery boards, envelopes, erasers, frisbees, glasses, golf balls, golf tees, hand-held signs, hats, horns, ice scrapers, inscriptions, key rings, knives, labels, letter openers, magnifying glasses, matchbooks, nail clippers, nail files, newspaper ads of one column inch or less, noisemakers, paper and plastic cups, paper and plastic plates, paper weights, pencils, pendants, pennants, pens, pinwheels, plastic tableware, pocket protectors, pot holders, reader boards where message is affixed in moveable letters, ribbons, 12-inch or shorter rulers, shoe horns, skywriting, staple removers, stickers -- size 2-3/4" x 1" or smaller, sunglasses, sun visors, swizzle sticks, state or local voters pamphlets published pursuant to law, tickets to fund raisers, water towers, whistles, yard signs -- size 4' x 8' or smaller, yo-yos, and all other similar items.

[Statutory Authority: RCW 42.17.370 and 42.17.562. 06-11-132, § 390-18-030, filed 5/23/06, effective 6/23/06. ## **WAC 390-18-040**

### **Use of the terms "reelect," "retain," and "return."**

(1) The term "reelect" when used in an advertisement represents that the candidate is presently holding the office being sought, was elected to it, and is seeking another term in that same office in the same district or political subdivision.

(2) The term "reelect" may be used in an advertisement by a nonincumbent candidate who has previously been elected to the office being sought provided that in the same advertisement it is clearly stated that the candidate is not the incumbent.

(3) The term "retain" in an advertisement represents that the candidate is the incumbent but does not imply that the candidate attained the office by election.

(4) The term "return" in an advertisement represents that the candidate now holds, or has previously held, the office being sought, but does not represent that the office was attained by election.

(5) Whenever the boundaries of a district or political subdivision are officially altered through redistricting, consolidation or other official procedures, the candidate holding an office in the affected district or political subdivision may, in an advertisement, use the term "reelect," "retain" or "return," as appropriate, if the candidate is seeking the same office in the revised district or political subdivision.

(6) Stating the office sought (e.g., "mayor") by a candidate in a political advertisement without expressly stating the candidate is seeking election to the office (e.g., "for mayor"; "Elect Smith Mayor") represents that the candidate presently holds that office.

[Statutory Authority: RCW 42.17.370 and 42.17.562. 06-11-132, § 390-18-040, filed 5/23/06, effective 6/23/06. **RCW 29A.08.740****Violations of restricted use of registered voter data — Penalties — Liabilities.**

(1) Any person who uses registered voter data furnished under RCW 29A.08.720 for the purpose of mailing or delivering any advertisement or offer for any property, establishment, organization, product, or service or for the purpose of mailing or delivering any solicitation for money, services, or anything of value is guilty of a class C felony punishable by imprisonment in a state correctional facility for a period of not more than five years or a fine of not more than ten thousand dollars or both such fine and imprisonment, and is liable to each person provided such advertisement or solicitation, without the person's consent, for the nuisance value of such person having to dispose of it, which value is herein established at five dollars for each item mailed or delivered to the person's residence. However, a person who mails or delivers any advertisement, offer, or solicitation for a political purpose is not liable under this section unless the person is liable under subsection (2) of this section. For purposes of this subsection, two or more attached papers or sheets or two or more papers that are enclosed in the same envelope or container or are folded together are one item. Merely having a mailbox or other receptacle for mail on or near the person's residence is not an indication that the person consented to receive the advertisement or solicitation. A class action may be brought to recover damages under this section, and the court may award a reasonable attorney's fee to any party recovering damages under this section.

(2) Each person furnished data under RCW 29A.08.720 shall take reasonable precautions designed to assure that the data is not used for the purpose of mailing or delivering any advertisement or offer for any property, establishment, organization, product, or service or for the purpose of mailing or delivering any solicitation for money, services, or anything of value. However, the data may be used for any political purpose. Where failure to exercise due care in carrying out this responsibility results in the data being used for such purposes, then such person is jointly and severally liable for damages under subsection (1) of this section along with any other person liable under subsection (1) of this section for the misuse of such data.
