

Press Release

Five-day Special filing Period

May 26-29 and June 1

On April 29, 2015, a citizens group called, "Citizens for SARC", proposing the creation of a metropolitan park district, named the "SARC Metropolitan Park District", filed a petition.

On May 15, 2015, the petition was declared sufficient and will be placed on the August 4, Primary ballot.

The commissioners of the district may be selected by election, in which case at the same election at which the proposition is submitted to the voters as to whether a metropolitan district is to be formed, five park commissioners shall be elected. The election of park commissioners shall be null and void if the metropolitan park district is not created.

Candidates shall run for specific commission positions. The race will appear only on the Primary ballot regardless of the number of candidates who file. The person receiving the greatest number of votes for each position shall be elected as commissioner. No candidate who files during a special five-day filing period may withdraw.

Filing will be in the Election Center, located in the basement of the courthouse. Our office hours are 8:00 am to 4:30 pm.
