

**Are You Working or Stationed Out of State?  
Will You Be Deployed Before the Next Election?  
Are You Living Overseas?**

**Welcome to Cowlitz County's Email Ballot Program.**

The Cowlitz County Auditor's Office remains committed to maximizing access to voting for active duty members of the military, military dependents, and U.S. citizens residing or traveling abroad. To this end, we offer our email ballot program.

**What an email ballot is:** Qualified voters receive their ballot and instructions by email. The voter then prints and votes the ballot, and signs the declaration. The voter may return their voted ballot by fax or email. Ballots returned by fax or email must be received in the Elections Department no later than 8:00PM (PST) on Election Day.

**When:** Email ballots are sent and received by the voter 45 days prior to the election.

**Where:** Voters can receive their ballots anywhere in the world in a matter of minutes, provided they have internet access, an internet email address, and access to a printer.
