**Franklin County
Candidate Guide**

Letter from the Auditor

Election Partners,

We are pleased to provide you with this Candidate guide as one of many tools to help you navigate the 2017 elections season. Whether you are a candidate, campaign manager or citizen interested in the elections process this guide will answer many of your questions. Your most comprehensive resource, however, is the Franklin County Elections website: www.co.franklin.wa.us/elections.

Additionally, the Franklin County Auditor's election staff will help you with questions you weren't able to answer in the guide or online. Contact them directly at (509) 545-3538 or elections@co.franklin.wa.us.

Our goal is to provide an election process that is honest, transparent, and responsive to the needs of everyone. By consistently working to increase the accessibility and efficiency of Franklin County's elections services, we will promote an informed and participatory electorate confident in the integrity of all elections conducted in Franklin County.

The elections staff and I appreciate the opportunity to serve you.

Sincerely,

Matt Beaton
Franklin County Auditor

P.S. Please note that the Candidate guide does not take the place of current local, state or federal laws. Laws and dates are subject to change.

Filing fees are based on the salary at the time of filing for office.

Candidacy Qualifications

Each candidate must be an elector of the jurisdiction for which they are filing. If the position is noted by district number, the candidate must be an elector of the jurisdiction and must live within the district for which they are filing. Information about candidate qualifications can be found on our website at www.co.franklin.wa.us/elections.

Candidacy Qualifications for Precinct Committee Officer - even years only

Each candidate must be a member of a major political party and a registered voter in the precinct for which they are filing. This office appears in the Primary election only. A race will only appear on the ballot if two or more candidates from the same party file in a precinct.

Filing by Mail

Beginning May 1, 2017, candidates may submit their Declaration of Candidacy by mail to the Auditor's office. All filings must be received by May 19th at 5:00pm. Filings received earlier than May 1 or after May 19, 2017 will be considered invalid and returned to the candidate. Any applicable filing fee must also accompany the declaration of candidacy.

Filing In-person

Candidates may file in-person at the Auditor's office beginning Monday, May 15 at 8:30am. In-person filing will close on Friday, May 19, 2017 at 5:00pm.

Online Filing

Candidates may file online beginning at 9:00am on Monday, May 15, 2017. Online filing provides candidates with the option of paying their filing fee by credit or debit card. Online filing will close on Friday, May 19, 2017 at 4:00pm.

Filing Fees

Filing fees are based on the salary of the office at the time of filing. For offices with a salary over \$1,000 the filing fee is 1% of the total salary. For offices with a salary of \$1,000 or less, the filing fee is \$10.00. No filing fee is required if the position is paid for attending meetings (per diem), with no fixed annual salary. Filing fees are not refundable.

Filing Fee Petition

A candidate who lacks sufficient assets or income at time of filing may submit a filing fee petition in lieu of the filing fee. The filing fee petition must contain valid signatures of registered voters who support the candidate and are registered within the district. Each signature is equal to a dollar of the filing fee. Candidates may not submit part filing fee petition and part filing fee.

No Filings for an Office

If no candidate files for a partisan, judicial, or non-partisan office, a special three day filing period will be called by the Secretary of State or County Auditor. If there are no filings after the special filing period, the office will be void and removed from the ballot.

Lot Drawing

A lot drawing will be held on Monday, May 22, 2017 at 10:00am in the Auditor's Office located in the Franklin County Courthouse. All candidates and public are welcome. The drawing will determine the order in which the candidates' names will appear on the Primary ballot.

Candidates for the General Election will appear on the ballot based off the number of votes received in the Primary Election. If the office did not appear on the Primary Election ballot, order will be determined by prior lot drawing results. The lot drawing is open to the public.

Withdrawal of Declaration

Any candidate may withdraw their Declaration of Candidacy until 5:00pm, on Monday, May 22, 2017. The withdrawal form can be submitted at the Franklin County Auditor's Office.

Candidate Filing

Write-ins

A write-in candidate may file a Declaration of Candidacy and pay the filing fee. Write-in declarations must be filed by 18 calendar days prior to the election. Write-in votes will only be tallied when they impact the outcome of the election. Votes cast for write-in candidates who have filed declarations need only specify the name of the candidate in the appropriate location on the ballot and connect the arrow in order to be counted.

No person may file a write-in declaration:

- For the general election, if the candidate lost the primary election, either as a candidate or a write-in candidate.
- A valid write-in declaration has already been filed for another office.
- The candidate already appears on the ballot for another office.

Write-in votes for candidates who have not filed a Declaration of Write-in Candidacy must include the office sought and, if applicable and position number. Political party preference is required in order to be counted for the office of President/Vice President.

Election Guidelines

Primary

Partisan Offices

A partisan office is an office for which a candidate may choose to indicate a political party preference on his or her Declaration of Candidacy. Federal, statewide, legislative and some county positions are partisan offices.

A Primary Election will be held for each partisan office open for election, regardless of the number of candidates filing.

Candidates for partisan office may state a political party that he or she prefers. A candidate's preference does not indicate endorsement by the party. No changes to party preference will be accepted after the deadline for withdrawal of candidacy.

On the Primary Election ballot, candidates shall be listed in the order determined by lot.

The names of candidates for County Commissioner will appear only on ballots within their county district.

The two candidates who receive the greatest number of votes cast will advance to the General Election ballot regardless of party preferences. They will appear on the ballot with the top vote getter appearing first.

Nonpartisan Offices

A nonpartisan office is an office for which candidates do not indicate a party preference. All judicial and most special purpose offices are nonpartisan offices. No party preference appears on the ballot for these races.

A Primary Election will be held if three or more candidates file in any nonpartisan office, or a city, town, school, special purpose district or district court office. The two candidates with the most votes continue on to the General Election. The top vote getter appears first.

Judicial Offices

Judicial candidates will only appear on the Primary Election ballot when three or more candidates file for the office. The candidates' names will appear in lot draw order. See the [chart](#) for more judicial office ballot information.

General

On General Election ballots, the name of the candidate who receives the greatest number of votes for the position in the Primary Election shall be listed first, followed by the name of the candidate who receives the next greatest number of votes. If a Primary Election was not required for a nonpartisan office, the candidates' names will appear in lot draw order.

This courtesy notice is provided to inform you of certain City of Pasco requirements regarding the placement and retrieval of temporary campaign and election signs.

First and most importantly, election signs placed in the City right-of-way, especially signs larger than 2-3 square feet in area or more than 3 feet in height, pose a public safety hazard if they are situated in a manner that obstructs the view of oncoming traffic at street intersections and driveways.

The best way to ensure your signs do not obstruct line of sight at corner lots and intersections, is to locate the points 20 feet to the rear of intersections (with streets, alleys or driveways) by projecting a straight line from one point to the other, across the abutting lot or yard. The triangle formed by the connection of the points is considered a clear view triangle wherein signs cannot exceed 3 feet in height. In other areas on the property or lot outside and behind the triangle, you may place signs that stand over 3 feet in height.

Second, in planting strips requiring regular City maintenance and mowing, and at corners with decorative landscaping, campaign signs may be removed without notice to protect City equipment and personnel from harm caused by signs or sign parts tangling with their equipment. Election signs should not be posted in those particular areas.

Last, posting of signs on utility poles, light poles or on public sidewalks is prohibited and placement of signs on private property without the property owner's permission is strongly discouraged. All election signs, regardless as to their location must be removed no later than ten (10) days following the date of the election.

If you have any questions regarding election sign placement please call me at (509) 543-5736.

Dear Candidate:

The Washington State Department of Transportation (WSDOT) wishes to take this opportunity to advise political candidates about the placement of campaign signs and placards along state highways.

Revised Code of Washington (RCW) 47.42, the Highway Advertising Control Act, regulates signing on Interstate highways, Primary highways, and highways that are part of the Scenic and Recreational System. Signs erected on private property adjacent to these highways must comply with the Highway Advertising Control Act, rules contained in Washington Administrative Code (WAC) 468-66, and applicable local agency sign codes.

In accordance with WAC 468-66-050, ***Sign Classifications and Specific Provisions***, temporary political campaign signs are identified and regulated as a type of on-premise sign intended to express a property owner's endorsement of a political candidate or initiative. Prior to placing signs, WSDOT recommends checking with the property owner for permission to place the sign and to determine property line location. Campaign signs are allowed under the following regulations:

- 1) Temporary political campaign signs are limited to a maximum size of thirty-two square feet
- 2) Temporary political campaign signs must be removed within ten days following the election
- 3) Sign installers must have permission of the underlying property owner prior to placing signs
- 4) Temporary political campaign signs are subject to all other applicable provisions of RCW47.42 and WAC 468-66 that pertain to Type 3 on-premise signs

In addition to the above restrictions, **the erection of temporary political campaign signs within the right-of-way of all state highways is prohibited. Accordingly, signs placed within the right-of-way of any state highway are subject to removal by the Washington State Department of Transportation.**

Also, RCW 47.36.180(1) states in part that it is unlawful to erect any structure, sign, or device visible from a city street, county road, or state highway that simulates any directional, warning, or danger sign likely to be mistaken for such a sign. Therefore, a campaign sign cannot be designed in a manner that resembles an official traffic control sign.

If you should have any questions about the placement of campaign signs along state highways, please call (360) 705-7282.

We sincerely hope that candidates for public office will observe the laws and regulations enacted to limit driver distraction and protect and preserve the roadside beauty of our state. Thank you in advance for your courtesy in this matter.

Voters who are new to Washington State or first time voters can register in person at the Franklin County Auditor's Office's. Regular business hours are 8:30am - 5:00pm.

Military & Overseas Voters

Ballots for Military & Overseas Voters will be mailed 45 days prior to each primary and general election and 30 days prior to special elections. This additional time allows for those located in remote locations to receive their ballots. The Franklin County Elections Department will be sending paper ballots by Friday, June 17 for the Primary Election and by Friday, September 23 for the General Election.

Military & Overseas voters also have the option to obtain their ballots electronically. Please contact the elections department at elections@co.franklin.wa.us or 509.545.3538 to request this option.

Accessible Voting Units (AVU)

Accessible Voting Units are equipped with audio and visual technology that allows voters that need assistance to vote more independently.

AVU's are available at the Franklin County Auditor's Office beginning 18 days prior to each election during office hours. On Election Day, accessible voting units are available from 8:30am until 8:00pm.

Voter Registration Guidelines

Voter Registration Drives

It is the policy of the state of Washington to encourage every eligible person to register to vote and to participate fully in all elections and to protect the integrity of the electoral process by providing equal access to the process while guarding against discrimination and fraud. Make sure the people of your community have a voice in the next election.

Tips for a successful drive:

- Plan your drive well in advance of voter registration deadlines.
- Consider coordinating with other groups to maximize your efforts.
- Obtain permission from the owner or manager before conducting drives on private property.
- Obtain forms from your local elections office or the Secretary of State's Office.
- Treat everyone the same.
- Know how to complete the form so you can assist individuals.
- Allow people to take a registration form and submit it themselves.
- Let people know they may fill out a form to update their existing registration (name change, address change, etc.)
- Assist people with disabilities only when they ask for help.
- Have contact information for the local elections office available to aid in referring people.
- Submit completed forms within five business days, by mail or in person, to the local elections office or Secretary of State's Office. (RCW 29A.08.115)
- Return unused forms to the local elections office or Secretary of State's Office.

The "don'ts" for conducting a voter registration drive:

- Don't refuse to give anyone a registration form.
- Don't offer gifts or promotional items for registering someone to vote unless you offer the same item to someone who does not register to vote.
- Don't accept registrations you know to be fraudulent.

Voter Registration Guidelines

To be eligible to vote in Washington State, a person:

- must be a citizen of the United States;
- must be at least 18 years old on or before election day;
- must have lived in Washington State for 29 days prior to the election (exceptions apply to overseas and service voters);
- must not maintain a registration in two or more counties or states or with two or more names;
- must not be under the Department of Corrections supervision for a Washington felony conviction; and
- must not be disqualified from voting due to a court order.

Completing the Voter Registration Form

The below information is required on voter registration forms:

- must mark citizenship checkbox;
- must include the date of birth (check for the proper year);
- must include full name (i.e., last, first, middle initial, suffix);
- must include a Washington State residential address;
- must include both mailing and residential addresses if mail is not delivered to the residential address; and
- must sign the oath (signature is used to verify ballots).

Voter Registration Deadline Information

New voter registrations and changes to voter registration records received after the deadlines will be effective only for future elections.

By mail or online:

- 29 days before an election.
- Changes to residential address, mailing address, name or other voter registration record information must be made before this deadline. (If the deadline is not met, voters may still vote using their previous voter registration record information).
- The registration must be postmarked no later than the deadline.

In-person at the local elections office:

- Eight days before an election.
- Only registrations for voters not currently registered in the state of Washington.

Ballot Processing

Franklin County Election Center

The Election Center is where all ballots are processed and results are tabulated. The public is invited to visit our observation room and see the entire process in action. Security restricts physical access to the central ballot processing area to only employees and political observers.

Voting by mail

Washington votes entirely by mail. Ballots and voters' pamphlets are mailed about three weeks before Election Day. Ballots must be returned to a designated drop box or post-marked by Election Day. Overseas and military ballots are mailed even earlier to ensure they have enough time to vote and return their ballots.

Voters can register by mail, online or in person. After registration, they receive a voter notification card in the mail.

From our observation room, you can see ballots being processed. Before ballots are mailed to voters, the ballot packets are assembled offsite. Each election, we assemble a small number of ballot packets at our office as needed.

Security

There are a number of measures in place to ensure that elections are secure. We also work with formal groups and partners who provide oversight.

- Cameras monitor the building 24 hours a day.
- Ballots and ballot processing centers are safeguarded by key pad controls and seals .
- Observers from both political parties are requested to be on site for every election as added assurance of oversight and accountability.

Step One: Signature Verification
 Before any ballot is counted, the signature on every returned ballot envelope is visually compared with the voter's signature on file, typically from their registration form. Elections employees, trained by the Washington State Patrol fraud unit, examine the signatures. If the signatures are a match, the ballot packet is approved to move forward to opening.

Approximately 3 percent of ballots returned in each election have signature challenges. While there are many reasons this could happen, the common reasons include the length of time since the voter first registered to vote, or a voter initialing or simply forgetting to sign. These issues are all resolved differently and the voter is contacted by mail and by telephone. Voters have until the day before certification to correct their signature issue for their ballot to be counted.

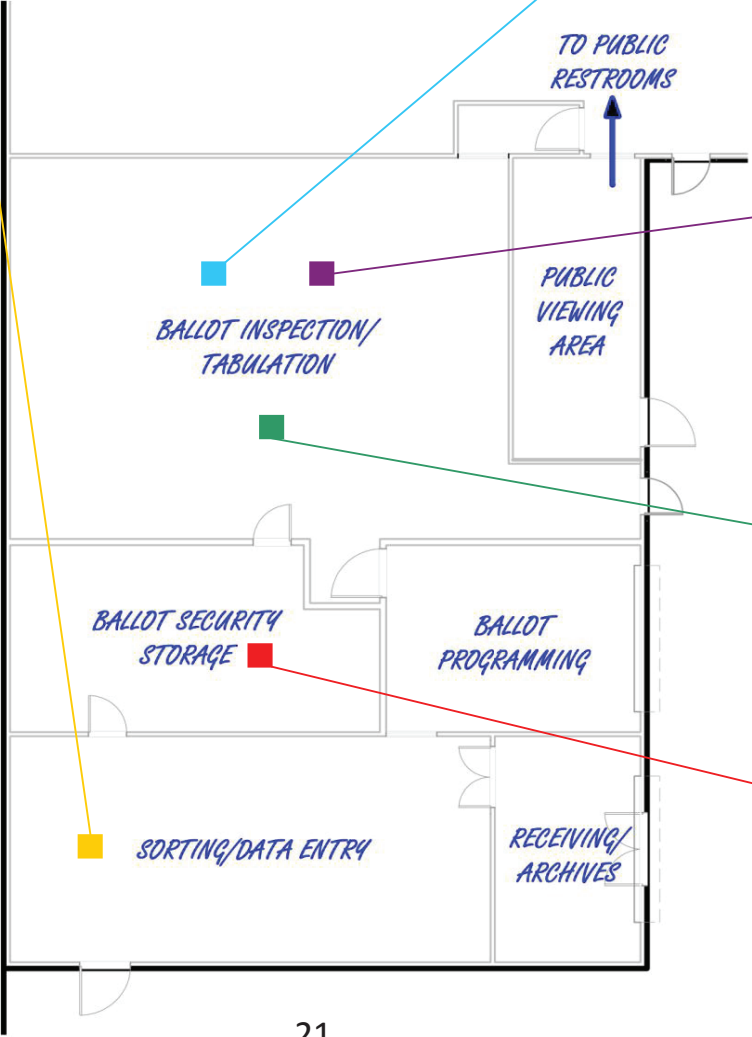

Step Two: Opening
 Opening is a three step process:

1. The security envelope, containing the voted ballot, is removed from the signature envelope and separated.
2. Once all the signature envelopes have been emptied and set aside, the security envelopes are opened and the ballot is extracted.
3. A 100 percent visual inspection is performed. Ballots that are physically ready for scanning and tabulation, proceed straight there. Ballots with physical damage are sent to duplication, step three.

Step Three: Duplication
 If there is damage to a ballot, or if the voter makes stray marks, corrections or uses the wrong type of pen, the tabulators will not be able to read the ballot. Teams of two examine these ballots, determine the voter's intent, and make a copy of these ballots so that the votes can be recorded properly. The original ballots are securely stored.

Step Four: Tabulation
 Ballots are tabulated in the final step of the process. Results are first released at 8 p.m. on Election Night. Limited access is given to the tabulation room. Tabulation will continue until the election is certified and all eligible votes are counted.

Ballot Security Room
 Limited access is given to the ballot security room. This space is monitored by security cameras and requires two people for access.

Election Results

Where can I find election results?

Initial tally results will be released at our Election Center by 8:15pm and posted online at www.co.franklin.wa.us/elections.

Do you continue counting through the night?

No, all verified ballots on hand on Election Day will be tabulated and included in the initial tally released on Election night.

Ballots left to count after Election Day

While Election Results are released at 8:15pm they are in no way the final numbers. The Election Department is processing valid ballots after Election Day because voters have until 8:00pm on Election Day to drop their ballot at one of the ballot drop boxes located throughout the county. Also, ballots returned by mail must be postmarked on or before Election Day and may be received after Election Day.

When will the results be updated again?

The Election Department will update the results daily following Election Day until all ballots are counted. You can see when the next update is scheduled by viewing the Election Results online.

What are over and under votes?

Over Votes occur when a voter selects more than one candidate in a particular race. This error made by the voter is tabulated; however, no credit is given to either candidate.

Under Votes occur when a voter chooses not to vote in a particular race. The percentage of under votes is traditionally higher when a candidate is running unopposed.

Understanding write-ins

Votes cast for write-ins are tabulated for each contest that appears on the ballot. The number of write-in votes for each office must be reported, but votes for individual candidates do not need to be tallied unless it could make a difference in the outcome of the election.

Will there be a recount?

An automatic recount applies to statewide candidate races and statewide measures and will occur if less than 2,000 votes and also, less than one-half of 1% of votes cast separates candidates or issues. If separated by less than one-fourth of 1% and if the number of votes is less than 1,000 votes, a mandatory manual recount is required for a candidate race. (RCW 29A.64.021)

For elective offices which are less than statewide, an automatic manual recount will occur if less than 150 votes and also, less than one-fourth of 1% of votes cast separates candidates. (RCW 29A.64.021)

For ballot measures, if the margin is less than 2,000 votes and less than one-half of 1 percent of the votes cast, then a recount is mandatory. The state decides whether to use a machine or hand recount. There are no recounts on local measures.

Can I come observe on election night?

The entire election process is completely open to the public, candidates and media. You can come observe the Election Staff receive, open, and prepare the ballots for tabulation and tabulate the ballots.

Where is the Election Center?

The Election Center is located at 116 N 3rd Ave in Pasco. Everyone is welcome to gather at the Election Center to await the Election Results.

Certification

Who was elected?

No one yet. Not until the results are certified by the Canvassing Board is anything final. Primary Elections are certified 14 days after Election Day. General Elections are certified 21 days after Election Day.

This time allows for Military and Overseas voters' ballots to arrive. Voters also have the opportunity to clear up any challenged ballots prior to Certification Day. The Auditor's election staff uses this time to reconcile and canvass the results. (WAC 434-262-015)

Who certifies the election?

The Canvassing Board is comprised of the Franklin County Auditor, the Chair of the County Commissioners, and the Prosecuting Attorney or their designees. The Board reviews all challenged ballots.

What is a challenged ballot?

As ballots are returned, election staff compares the signature of each voter against the signature that is on file to validate the ballot. Ballots that are not validated are placed into challenged status. Voters have until the day before certification to resolve their challenged status.

Challenged Ballot Reasons:

No Signature

In this case, the voter has forgotten to sign his or her envelope. When voters fail to sign their affidavit, election staff is unable to compare the signature of the voter against what is on file. The voter will receive a letter and phone call requesting that they submit a signature for second review.

Signature mismatches

When we are unable to match the voter's original signature. Election law provides voters with three options for re-signing their voter affidavit:

- in person at the election office
- by mail
- by email or fax

If you cannot sign, make a mark in the signature line in the presence of two witnesses. The witnesses should then sign below your mark.

Postmarked too late

Ballots returned through the United States Postal Service must be postmarked on or before Election Day. Ballots postmarked after Election Day will be reviewed by the County Canvassing Board.

Can I come observe certification?

The entire process is completely open to the public, candidates and media. Certification of the Election results by the Canvassing Board will take place at the Franklin County Election Center located at 116 N 3rd Ave in Pasco. No need to make a reservation, our doors are always open.

Filings Required by the PDC

Many local candidates are required to file campaign disclosure records with the Public Disclosure Commission (PDC). The PDC, a state agency, was created by an initiative of the people. It provides public access about finances of campaigns and candidates, including contributors and expenditures.

Who Must File

Each candidate or campaign should review the PDC rules to determine if they are required to file.

Obtaining Rules and Forms

Campaign rules and forms including political advertising information are available from the PDC website. Elections staff are not able to answer questions concerning PDC rules.
