New voter registrations and update forms available during Licensing outage

OLYMPIA — While a network upgrade by the Department of Licensing [makes online voter registration via MyVote.wa.gov unavailable over Labor Day weekend](#), the Office of Secretary of State provides voter registration forms at the state Elections website.

New voters and those wishing to update their registrations, such as for name or address changes, can do so by [downloading printable forms in any of 21 languages](#), including English, Spanish, Chinese, and Vietnamese. Completed forms can be mailed or brought in person to county elections offices up [until the October deadlines](#) to vote in the November 2018 General Election.

Online voter registration at the [MyVote site](#) is scheduled to return Sept. 4, when the Department of Licensing upgrade is completed.
