Franklin County Auditor Receives Grant

Pasco, WA, December 21, 2011 — The Office of Secretary of State has approved a \$900.00 grant to alter the Franklin County Elections Department's reception area to improve access for voters with disabilities. The request was to fund the cost of lowering the customer service counter to accommodate wheelchair access. To see the image of the proposed redesign, please visit www.co.franklin.wa.us.

Matt Beaton Franklin County Auditor: "After seeing several of our customers struggle with the existing layout we are thankful for the Secretary of State's approval of our grant request"
