

**August 19, 2008 Primary Election
Notice of Primary Election**

Washington has a new Primary. You do not have to pick a party. In each race, you may vote for any candidate listed. The two candidates who receive the most votes in the August Primary will advance to the November General Election.

Each candidate for partisan office may state a political party that he or she prefers. A candidate's preference does not imply that the candidate is nominated or endorsed by the party, or that the party approves of or associates with that candidate.

The ballot will contain both partisan and nonpartisan offices.

A list of offices and candidates that will appear on the ballot is provided below.
