Your ballot must be postmarked by election day or deposited in a ballot drop box by 8 pm election night.

If a primary was held for an office, the two candidates who received the most votes in the Primary advanced to the General Election. Each candidate for partisan office may state a political party that he or she prefers. A candidate's preference does not imply that the candidate is nominated or endorsed by the party, or that the party approves of or associates with that candidate. The election for President and Vice President is different. Candidates for President and Vice President are the official nominees of their political party.
