BE IT RESOLVED BY THE BOARD OF DIRECTORS OF CENTRAL VALLEY SCHOOL DISTRICT NO. 356, SPOKANE COUNTY, WASHINGTON, as follows:

WHEREAS, Central Valley School District No. 356, Spokane County, Washington (the "District"), is a first-class school district duly organized and existing under and by virtue of the Constitution and the laws of the state of Washington (the "State");

WHEREAS, the Board of Directors of the District (the "Board") has determined that certain capital improvements to the education facilities of the District are required to better serve the needs of the students of the District;

WHEREAS, in order to provide funds to plan, acquire, design, construct, equip and install such capital improvements, the Board hereby deems it necessary and advisable that the District issue and sell its unlimited tax general obligation bonds in the principal amount of \$121,900,000 (the "Bonds") to pay a portion of the costs of the Project (as defined in Section 2 below), all pursuant to the provisions of chapters 28A.530 and 39.46 RCW;

WHEREAS, RCW 28A.530.020 requires that a special election be called for the submission of a proposition to the qualified electors within the District for their approval or rejection prior to incurring such bonded indebtedness;

WHEREAS, the District will notify the Spokane County Auditor, as ex officio Supervisor of Elections for the District, in compliance with chapter 29A.04 and 29A.40 RCW, of its intention to hold a special election on Tuesday, February 10, 2015, to submit the proposition of the issuance of the Bonds to the qualified electors of the District for their approval or rejection;

WHEREAS, chapter 39.98 RCW was enacted for the purpose of establishing a credit enhancement program (the "Program") for voter-approved school district general obligation bonds;

WHEREAS, RCW 39.98.040 authorizes the State Treasurer to make a determination that a school district is eligible for participation in the Program under rules adopted by the State Finance Committee; and

WHEREAS, to the extent the Program demonstrates substantial savings to the taxpayers of the District, the District wishes to participate in the Program;

NOW, THEREFORE, IT IS HEREBY FOUND, DETERMINED AND ORDERED, as follows:

Section 1: The Board hereby determines that the best interest of the residents and students of the District requires the planning, acquisition, design, construction and installation of certain capital improvements and betterments to its education facilities, together with all necessary appurtenances, fixtures and furnishings therefor, including technology improvements.

Section 2: The proposed capital improvements (the "Project") to be paid for with the Bond proceeds are as follows:

(a) acquisition, construction and installation of a new elementary school in the eastern portion of the District;

(b) capital improvements to and renovation of Evergreen Middle School, and Chester, Greenacres, Opportunity, Ponderosa and Sunrise Elementary Schools;

(c) acquisition of land for future capital improvements to and renovation of North Pines Middle School;

(d) acquisition and installation of all necessary appurtenances, equipment, fixtures and furnishings of the foregoing, including technology improvements, as deemed necessary by the Board;

(e) acquisition, construction and installation of all such other capital improvements deemed necessary by the Board;

(f) permanent financing for the acquisition of the real property and a facility located at 16 North Progress Road, Spokane Valley, Washington, and the construction and installation of improvements to such facility for the relocation of the District's Early Learning Center and Barker High School; and

(g) ancillary costs of planning (including the development of educational specifications for a future new high school), engineering, architectural, construction management, attorneys' fees, costs of bond issuance, permits, accounting costs, easements and any other expenses or consultant fees incidental thereto, together with all necessary appurtenances, fixtures and furnishings thereto.

Such capital improvements and betterments described in Section 2 above, which do not include the replacement of equipment, are to be more fully described in the plans and specifications to be prepared by the District's architects and engineers and to be filed with the District. The District will consider and may, if it is more cost effective resulting in a savings to the taxpayers of the District, construct new capital improvements to the education facilities of the District in lieu of renovations to such facilities.

The District anticipates the receipt of State school construction financing assistance from the State under chapter 28A.525 RCW in the estimated amount of \$58,000,000. The financing assistance shall be utilized by the Board to pay for a portion of the cost of the Project.

Section 3: If, in the opinion of the Board, the needs of the District change in a manner that results in a circumstance wherein any portion of the above-referenced capital improvements is not required or in the best interests of the District, the Board retains the right not to acquire, construct and install such capital improvements and to reallocate the money originally contemplated therefor to other capital improvements to the District's education facilities deemed more necessary by the Board, or to deposit such money into the District's Debt Service Fund to make debt service payments on the Bonds outstanding or to call and redeem a portion of the Bonds prior to maturity; provided, any change in use of Bond proceeds shall be in the form and manner required by law.

Section 4: The total estimated cost of the capital improvements program adopted by the Board is hereby declared to be approximately \$179,900,000 which shall be paid, in part, if authorized and empowered by the three-fifths (3/5) majority approving vote of the qualified electors of the District, by the issuance and sale of unlimited tax general obligation bonds in the principal amount of \$121,900,000, and the balance of which is estimated to be paid from the State school construction assistance in the anticipated amount of \$58,000,000.

Section 5: In the event the District has other legally available money or there are Bond proceeds (or interest earnings thereon) remaining after the capital improvements set forth in Section 2 above have been completed or duly provided for, the Board retains the right to make additional capital improvements to the education facilities of the District as are deemed necessary and desirable by the Board, or to deposit such money into the District's Debt Service Fund to make debt service payments on the Bonds outstanding or to call and redeem a portion of the Bonds prior to maturity.

Section 6: In the event the Bond proceeds and State school construction financing assistance are insufficient to make all of the capital improvements set forth in Section 2 above, the District shall use the available money to pay the cost of such improvements set forth in Section 2 above deemed most necessary and to be in the best interest of the District by the Board.

Section 7: The Bonds, if approved and issued, shall be sold in such amounts and at such time or times as deemed necessary and advisable by the Board all as permitted by law. The Bonds shall bear interest at such rate or rates not to exceed the maximum provided by law at the time they are sold. The Bonds shall mature in such amounts and at such time or times within a maximum term of 20 years from their date of issue but may mature at an earlier date or dates, as authorized by the Board and provided by law. The Bonds shall be unlimited tax general obligations of the District; and, unless paid from other sources, both principal thereof and interest thereon shall be payable out of annual property tax levies to be made upon all taxable property within the District without limitation as to rate or amount. The designation of the Bonds may be changed to reflect the actual date of issuance. The exact date, form, terms and maturities of the Bonds shall be hereafter fixed by resolution of the Board.

Section 8: A special election is hereby requested to be called, conducted and held within the District on Tuesday, February 10, 2015, for the purpose of submitting to the qualified electors of the District, for their approval or rejection, the District's proposal to make the capital improvements specified in Section 2 above; to incur indebtedness; to issue the Bonds to finance such capital improvements; and to levy taxes in excess of the regular property tax levies to pay the principal of and interest on the Bonds.

Section 9: The Spokane County Auditor is hereby authorized and directed to call and conduct the February 10, 2015, election pursuant to Engrossed Substitute Senate Bill 5124.

Section 10: Pursuant to RCW 29A.36.071, as amended, the Spokane County Prosecuting Attorney is requested to prepare the concise description of the proposition for the ballot title substantially in the following form:
