SPOKANE COUNTY
INCORPORATION OF THE CITY OF SPOKANE VALLEY

State law establishes a process for the incorporation of cities. That process starts with the filing of a notice of proposed incorporation and ends in an election within the area to be incorporated as established by the Boundary Review Board. The Spokane County Boundary Review Board by decision filed December 13, 2001, under file No. 555-01, established the boundaries of the proposed City of Spokane Valley. The proposed city is to be incorporated as a non-charter code city with a council-manager form of government. The proposed City would comprise approximately thirty-eight and one-half (38.5) square miles and have an estimated population of 80,693. Shall the City of Spokane Valley, having those boundaries as set forth in the Boundary Review Board's decision in File No. 555-01, be incorporated as a non-charter code city with a council-manager form of government?
