**PROPOSITION NO. 1 SPOKANE TRANSIT AUTHORITY  
PRESERVATION OF PUBLIC TRANSPORTATION SALES AND USE TAX**

The Spokane Transit Authority Board of Directors passed Resolution No. 549-02 authorizing the submission of a ballot proposition for an additional sales and use tax not to exceed three-tenths of one percent. This additional sales tax will replace state and local motor vehicle excise taxes and prevent the loss of the current level of public transportation, including local and express bus service, paratransit services for the mobility impaired, and other services, such as maintenance, equipment and improvements. The tax may also provide for anticipated future public transportation needs of the current system. Shall Spokane Transit Authority be authorized to impose an additional sales and use tax not to exceed three-tenths of one percent in addition to currently collected taxes to be collected within the Spokane County Public Transportation Benefit Area as authorized by Resolution No. 549-02?
