All county auditors and the secretary of state shall furnish to the public on request forms substantially similar to the sample included below for the purpose of allowing a registered voter to challenge the registration of another voter pursuant to RCW 29A.08.810 through 29A.08.850.

VOTER REGISTRATION CHALLENGE

AFFIDAVIT

I, declare under penalty of perjury under the laws of the State of Washington that I am a registered voter in the State of Washington and that I hereby challenge the voter registration of:

Name of Voter being Challenged

Registered Address

I have personal knowledge and belief that this person is not qualified to vote or does not reside at the address given on his or her voter registration record, as evidenced below. I have exercised due diligence to personally verify the evidence presented.

REASON FOR CHALLENGE

- Check the appropriate box below. The voter:
- Is not a U.S. Citizen.
- Will not be at least eighteen years old by the next election.
- Has been convicted of a felony and his or her right to vote has not been restored.
- Has been judicially declared ineligible to vote due to mental incompetency.
- Does not reside at the address at which he or she is registered to vote, in which case I am submitting either:
 - 1) The address at which the challenged voter actually resides:
 - or
 - 2) Evidence that I exercised due diligence to verify that the voter does not reside at the address provided and to attempt to contact the voter to learn the voter's actual residence. I personally:
 - Sent a letter with return service requested to all known addresses for the voter;
 - Visited the voter's residential address to contact persons at the address to determine if the voter actually resides there. If I was able to contact anyone who owns, manages, resides, or is employed at the address, I am submitting a signed affidavit from that person stating that, to his or her personal knowledge, the voter does not reside at the address;
 - Searched local telephone directories to determine whether the voter maintains a telephone listing at an address within the county;

Searched county auditor property records to determine whether the voter owns any property in the county; and

Searched the statewide voter registration data base to determine if the voter is registered at any other address in the state.
